ACCEPTANCE OF RISK

Part of the appeal of Coastrek events is that they are conducted in unpredictable environments. It is by nature challenging and demanding. By participating in this event, you accept sole responsibility, for the inherent risks, dangers, and liabilities associated with a Coastrek event including the risk of property loss or damage, injury, or loss of life, and you release Coastrek, and Beyond Blue from claims, liability, demands and proceedings arising from or in relation to any loss, damage, expense or personal injury which may be sustained by you as a result or in connection with your participation in the relevant event.

Coastrek encourages all Coastrekkers to ensure that adequate training has been completed, an appropriate level of fitness obtained, and that anyone with underlying medical conditions obtain medical clearance prior to participating.

As a Coastrekker you indemnify Coastrek and Beyond Blue and hold Coastrek and Beyond Blue, their officers, employees, and agents harmless from and against all actions, claims, charges, costs, expenses, losses, damages, and other liability incurred, howsoever caused, arising out of or otherwise in connection with your participation in Coastrek.

THE EVENT

All Coastrek event distances have a time limit to keep participants on track and are outlined below:

1. Teams must start together, and ideally walk together, and finish together. It's a safety thing, and it's a lot more fun!
   However if you do separate during the event, you must be walking with at least one other trekker. If your team is reduced to one during the event, you must link up with another team and walk with at least one other registered Coastrekker, for safety purposes.
   No one should walk alone for safety reasons.
2. All Coastrekkers must follow the Coastrek route as outlined on the digital map on the relevant Event website.
3. If you DON'T follow the route as outlined on the course map, you will do so at your own risk, Coastrek's insurance doesn't cover deviation from the designated route.

4. Each Coastrekker will have a timing chip on the back of their bib linked to their designated start time. Each Coastrekker must cross the timing pads, located at the start, Luv Stops and at the finish line. This information is important and allows Coastrek to track your progress.
5. The Luv Stops and Finish Line have a closing time. All teams/Coastrekkers must track their progress to ensure they reach the Luv Stops and Finish Line within the designated time frame. If you do not reach a Luv Stop or the Finish before closing time (specified on the Event Day Pocket Guide & digital map), you will be contacted and required to withdraw from the event.
6. You must agree to the "Leave NO Trace" principles of bushwalking, carrying all rubbish out with you or depositing it at the recycling and rubbish bins at the Luv Stops.
7. You must be whisper-quiet when passing through residential areas, particularly at nighttime or early morning, please.

SUPPORT CREW

1. It is strongly recommended that all 50km teams have a friendly loving Support Crew on call for the entire event to be able to call on this crew if/when you need them. A Support Crew is also recommended for both the 35km and 30km teams.

2. Invite your Support Crew to meet you along the route if it is safe. (Certain checkpoints may not be open to Support Crew due to restricted access). Your Support Crew can provide shelter, food, water, basic First Aid, or any other assistance you require. Please note that Coastrekkers must remain within 200m of the designated route to receive Support Crew assistance.

3. Your Support Crew must NOT transport Coastrekkers during the event, except in a medical emergency. Failure to abide by this rule will result in immediate disqualification of the entire team.

Event Location Time Limit

Sydney, Mornington Peninsula & Sunshine Coast Only 15 Hours

35km Event

South Coast, Fleurieu Peninsula & Margaret River Only 12 Hours

30km Event

Sydney, Mornington Peninsula & Sunshine Coast Only 10 Hours

4. Your Support Crew must comply with all instructions from Coastrek and event staff. Coastrek is not responsible for the safety or whereabouts of the Support Crew. If your Support Crew breaches these terms, you may be penalised or disqualified. Please make sure you pick a crew which understands and will abide by these instructions.

5. Support Crews must obey all road rules and drive within the speed limits. Please advise your crew to get sufficient rest so they are not tired when driving.

THE ROUTE

1. Route maps are available via the Coastrek website. A QR code is located next to the relevant route map to allow downloading to your device.

2. Every effort will be made on Event Day to mark the route as clearly as possible. Training on the route in advance, particularly in the sections you will be walking in the dark, is advisable. For your own safety, we recommend you download the Emergency Plus app to your phone (useful for contacting emergency services and GPS coordinates) and take a phone for training and event day.

   For your own safety follow the route markers and demonstrate self-navigation with the digital map provided and hard copy map guide. All Coastrekkers must have the online map downloaded to their phones as well as (at least) 1 hard copy of the map guide per team. Every event is unique; some trails of the route can be less urban than others. Please refer to our essential and recommended gear lists and be prepared.

3. Event distances are approximate and may vary on event day due to unforeseen circumstances such as weather and safety considerations.

SAFETY

1. Reportable Illness, Coastrekkers are required to avoid the spread of infectious diseases. Should a Coastrekker contract or have reasonable grounds to believe they have contracted a reportable illness they must advise Coastrek HQ at the earliest opportunity and not attend a proposed event.

2. For safety reasons, if a team member or the whole team is withdrawing from the event, you MUST contact Coastrek HQ (contact number will be on the back of your bib) immediately with the following details: withdrawing team name, withdrawing individual name(s) & bib number. Should you fail to do this Coastrek will assume you are still on the route and attempt to call you if you do not reach the Luv Stop or Finish Line within the designated timeframe.

3. If a participant suffers a non-life-threatening injury, they must call the Coastrek Emergency phone (the contact number will be on the back of your bib). Event First Aid will provide

assistance as soon as practicable. At least one person must stay with the injured person until help arrives.

4. In case of an emergency (e.g., serious/ life-threatening injury, bush fire etc.) you must call 000 immediately.

5. If your team is reduced to one during the event, you must link up with another team and walk with at least one other registered Coastrekker, for safety purposes.

6. You should not cross any water crossings if the water is more than knee-deep. Coastrek will re-route the course if the tide makes crossings dangerous. Care must be taken near surf zones. Take extra care also when crossing and walking along roads and road reserves, particularly in the dark If however, you do not feel safe, please contact Coastrek HQ (see back of bib for contact details).

7. All participants MUST wear the Coastrek event bibs, on the front of their torso over their clothing for the duration of the event.

8. All participants must pack a head torch and use it before sunrise and after sunset. All participants must carry a mobile phone.

9. Each Coastrekker should also carry a personal first aid kit including a pressure bandage, space blanket, blister kit and any personal medication required such as over the counter or prescription medication.

10. All participants must be self-sufficient for the duration of the event by carrying a small day pack, with food and hydration. You MUST carry a minimum of 2 litres, regardless of the event distance.

11. We recommend that all Coastrekkers have insurance cover which includes ambulance cover in case of emergency. Coastrek has public liability insurance cover for the event. This does not include Personal Accident Insurance for participants. Coastrek recommends that you arrange your own Personal Accident Insurance cover before participating in the Event to cover any unforeseen personal medical costs.

12. As per your medical questionnaire, the medical history and personal information collected as part of the registration process for each event will be stored securely, made available to the event medical and first aid staff. It will be used only in the case where you require medical attention. Some of this information may be passed onto the event organisers to assist with your care and evacuation. If you are evacuated from the event by Emergency Services a copy of your background information plus any new data entered by event staff will be supplied to the Emergency Services staff to enable your continued care.

13. If Coastrek, deem the course unsafe (for example by reason of an acts of God) we may, at our sole discretion, re-route the course, find an alternative shortened course or cancel the event. Coastrek reserves the right to cancel the event for any other reason.

14. If the event is cancelled, rerouted, or shortened, no refund of registration fees, fundraising monies or transfer to another event will be made. Due to the scale of the Event, the bureaucratic complications, travel, and commitment involved by Coastrekkers and volunteers, the Event cannot be re-scheduled.

15. While every effort has been made to make each Coastrek event safe for trekkers on or near roads, all pedestrian road rules apply. Please use your common sense and always use a footpath if one is available. Refer to the local roads or traffic authority for their guidelines
